

Name _____

Color the letter /h/ /th/ spaces red. Color all other letter spaces a different color.

The illustration shows a large flower with many petals. Each petal contains a letter or a space. The letters are 'h' and 'th'. The spaces are blank. The flower is partially colored with various colors: yellow, purple, green, blue, orange, and pink. A watermark 'Phonics Garden' is visible across the center of the flower.
