

Color the spaces that have a /b/ letter in them. Find and color all the letters /b/.

Search and circle all the /b/ letters you can find below.

p g bat g b g p n p g g
 g b p p g b p b g g b p
 g a g b b p p g p g g
 p p p b g p p p g g
 d d p p g a a bat p

Phonics

Name _____

Color the spaces that have a /b/ letter in them. Find and color all the letters /b/.

The main activity area consists of a large grid of overlapping circles. Each circle contains a lowercase letter: 'p', 'd', 'b', or 'g'. The letters are scattered throughout the grid. The circles are arranged in a pattern that allows for coloring individual letters or groups of letters.

Color the spaces that have a /B/ letter in them. Find and color all the letters /B/.

Search and circle all the /B/ letters you can find below.
